The Advanced Burn Life Support (ABLS) Provider Course is an eight-hour course for physicians, nurses, physician assistants, nurse practitioners, therapists, and paramedics. This live, hands-on course is designed to provide the "how-to" of emergency care of the burn patient through the first 24 hour critical time period. Following a series of lectures, case studies are presented for group discussions. An opportunity to work with a simulated burn patient to reinforce the assessment, stabilization, and the American Burn Association transfer criteria to a Burn Center will be provided. Testing consists of a written exam and a practical assessment.

Course Objectives:
1. Evaluate a patient with a serious burn;
2. Define the magnitude and severity of the injury;
3. Identify and establish priorities of treatment;
4. Manage the airway and support ventilation;
5. Initiate and monitor fluid resuscitation;
6. Apply correct methods of physiological monitoring;
7. Determine which patients should be transferred to a burn center; and
8. Organize and conduct the inter-hospital transfer of a seriously injured patient.

The ABA designates this continuing medical education activity for up to 7.25 AMA PRA Category 1 Credits™ of the Physician’s Recognition Award of the American Medical Association. This program also has been approved by the American Association of Critical Care Nurses (AACN) for 7.40 contact hours Synergy CERP Category A, File number 00019086.

Planning Committee Disclosure as required by ACCME: Salil Gulati is the principal investigator on a research project for Beekan Biomedical; he has indicated no direct monetary role.

Joseph Molnar, MD, PhD, has relevant relationships with Integra Life Sciences, receives an honoraria serving as speaker and teacher; he also receives an honoraria from Healogics, serving on the membership advisory committee review panel, in addition he serves on the membership advisory committee review panel for Anika but does not receive financials.

All other planners have indicated that they have no relevant relationships.

Faculty Disclosure as required by ACCME
If relationship exists, Insert Name, has (a) relevant relationship(s) with (name of company) serving as (role and place). Any additional relationships must be revealed in the same way. (you find this information at the ABAs website, center of page)

The following faculty indicate they have no relevant relationships to disclose.
REBECCA GARRER, FNP-BC
EDWIN GARCIA, MD
SHANDY GREENLEE, RN
JOHN VIENHAGE, RN, INSTRUCTOR CANDIDATE
LYNSAY DEETER, MD
BETH MEGLIN, RN
