

CHILDREN'S HOSPITAL COLORADO PRESENTS...

Virtual Education Series

Every Third Thursday of the Month, • 12 to 1 p.m.

Via Teleconference (Zoom Link and Instructions sent upon registration)

Overview, Target Audience and Learner Outcome

This activity for the interdisciplinary healthcare team will include a review of current literature and clinical pathways followed by Children's Hospital Colorado for the evaluation, treatment and management of pediatric patients. In addition to a presentation from content experts, attendees will participate in case study review and discussion to provide direction on clinical practice. As a result of this activity, learners will be able to apply new knowledge in order to provide current, evidence-based care to pediatric patients. CME/CNE continuing education credit will be offered quarterly.

2020 Dates

January 16th

February 20th

March 19th

April 16th - **Cancelled**

May 21st

June 18th

July 16th

August 20th

September 17th

October 15th

November 19th

December 17th

Objectives

Upon completion of this session, participants should be able to:

- Describe pediatric clinical care considerations for various diagnoses.
- Identify the role interdisciplinary healthcare providers have in identifying and providing treatment for pediatric patients.

Faculty from Children's Hospital Colorado / University of Colorado
